

MPC Containment Systems LLC

Quality Policy

MPC is committed to providing its customers with the highest quality and most reliable flexible storage tanks in the industry through consistent production quality and continual improvement of its Quality Management System.

1. We are committed to the achievement of continual improvement of quality in our services in order to meet or exceed customer requirements and expectations, and improve the organization's overall performance.
2. We work to achieve quality by:
 - Defining company policies, procedures and objectives,
 - Regularly monitoring and evaluating quality
 - Measuring customer satisfaction and acting on the results.
3. The policies, procedures, and processes that comprise the Quality Management System are subject to regular review and periodic audit to ensure their continual improvement and effectiveness.

What Quality Means For Me

Build quality tanks
Say what we do
Do what we say
Do it consistently
Always get better
